Aerokid Aerobics Manual
at \$95

Release 8 (2008)
at \$60

Please visit the AEROSkools web site www.aeroskools.com.au for more explanation as to what each Kit contains. The Aerokid Aerobics Manual has been designed to increase the participation level of students aged 8 – 18 years in aerobics and fitness sessions. It has been written for teachers, coaches, aerobics and fitness instructors wanting to introduce basic aerobic movement patterns via games and activities. It is the perfect companion for the AEROSkools Kit.

I am interested in:

Attending a Teacher In-Service to learn more about the Program
